## Field Recruiters

### Description

We're looking for someone who can identify, engage, and onboard talented mystery shoppers / field interviewers across the UAE. If you have strong communication skills, enjoy connecting with people, and thrive in a fast-paced environment, this role is for you.

### Responsibilities

- Sourcing and screening shoppers / field interviewers
- Coordinating project-based hiring
- Managing onboarding and documentation
- Supporting field operations with manpower needs

If you're passionate about people and operations, I'd love to connect.

### Qualifications

Strong skills in Market Research, with the ability to gather, organize, and analyze data effectively  
Excellent Communication and Customer Service skills, demonstrating professionalism and discretion  
Familiarity with Sales and proven ability to evaluate and understand sales processes  
Ability to conduct thorough Research to gather valid and actionable insights  
Strong observational and analytical skills with attention to detail  
Proven time management and organizational skills  
Previous experience in mystery shopping or market research is a plus

### Job Benefits

- Flexible hours
- Great for resumes
